

Instructions and Map to InterSearch Japan

1. Please take a left out of exit 1 at Roppongi station on the Hibiya line. You will be walking on the left-hand side of Roppongi Dori heading towards Shibuya. Walk for 150 meters alongside the overhead highway.
2. Next, take a left before the first major traffic light. As you turn the corner, you will see the rear of the Hyatt Hotel on your left. You keep walking to TV Asahi Dori (street). Walk for 150 meters on TV Asahi Dori.
3. Then, take a left at the second traffic light on TV Asahi Dori before you pass the FamilyMart Store. Go down the left-hand side of this narrow street for about 70 meters. We are the sixth building after the corner wine store and immediately after the barber shop—Zooto. We are located in a three-story structure. Our office is on the ground floor of the Triplex Yanagiwara Building.
4. If you are traveling by private vehicle or taxi, you cannot enter the one-way street where our office is located. You will have to walk from the AM/PM store. Parking is very limited on TV Asahi Dori.
